

丛伟艳 Weiyan Cong

School of Space Science and Physics, Shandong University
Weihai, Shandong 264209, China

Email: cong_wy@sdu.edu.cn Tel: 0631-5688751

TEACHING EXPERIENCE

2004.07--, Lecturer, School of Space Science and Physics, Shandong University at Weihai

EDUCATION BACKGROUND

2009.09-2012.12, Shandong University, Doctor

2001.09-2004.07, Shanghai University, Master

1997.09-2001.07, Qufu Normal University, Bachelor

EMPLOYMENT HISTORY

2004.07--, School of Space Science and Physics, Shandong University at Weihai

Honors/Awards

1. Excellent Instructor for Shandong Physics Science and Technology Innovation Competition, 2017
2. Third prize for online live teaching, Shandong University, 2020

RESEARCH VISITS

The photoelectric properties of semiconductor materials

(CURRENTLY SUPPORTED) RESEARCH PROJECTS

1. First principle study of photoelectric properties of Ce-doped SiO₂ materials; 2015.09-2017.08; Shandong University; 1/1

2. Fine online course of atomic physics; 2019.09-2021.08, Shandong University; 1/3
